LAWYERS ALERT SECURES THE RELEASE OF JOHN IBYA. FROM LEFT TO RIGHT ARE HWANDE RICHARD (LEGAL OFFICER) AND MR JOHN IBYA

As part of our free legal services to vulnerable persons, Lawyers Alert is happy to announce that we have secured the release of John Ibya from prison custody. Sometime in July 2018, Mr ibya was arrested by the police in Aliade and was immediately taken to the police station for the alleged offence of conspiracy, attempted robbery and house breaking. He was arraigned at the Chief Magistrate court Aliade for the said offences. He was subsequently remanded in prison custody since July 2018.

The fact that led to his arrest and subsequent detention in prison custody is that, prior to his arrest there was a robbery around his vicinity at Aliade town, where some hoodlums conspired and attempted to break a neighbor's house for the purpose of robbery. Police officers swung into action and carried out a random arrest in his neighborhood and in the process, arrested him as a suspect.

John Ibya is male aged 36 years; married with twin babies that were born to him while he was in prison custody.
